

“The NRLCA is hearing that an Executive Order will be issued today by the Administration that will eliminate the USPS Board of Governors and the Postal Regulatory Commission, move the Postal Service under the jurisdiction of the Commerce Department, and parse out certain services. This threat is real! We need all of our members to contact their members of Congress and tell them to stand up against this Executive Order. The phone number to the Capitol Switchboard is 202-224-3121. Call the number and ask to speak to your Representative.” Friday 21, 2025
